MISSION

OF MERCY

M.O.M.

PROJECT

The Need for *FREE* adult Dental Care...

In Southwest Virginia there is a profound need for access to affordable dental services for low-income, uninsured and underserved adults. For the past two years, the Roanoke Mission of Mercy Project (M.O.M.), has provided \$1 million in free dental services to more than 2,000 adults in the Roanoke Valley and surrounding areas.

The Roanoke Mission of Mercy Project is conducted one weekend each year and uses portable dental equipment for cleanings, x-rays, oral surgery and fillings.

Plans are currently underway for the next Roanoke Mission of Mercy Project — March 26 and 27, 2010 — Roanoke Civic Center.

Other health screenings also will be available including blood pressure and blood sugar. Additionally, information will be available from local care providers. An anticipated 600 health care professionals and community volunteers will provide services, administrative support and food for the project.

Here's how you can help:

Food & Beverage Opportunities

As part of the outreach for the dental clinic, Mission of Mercy will provide a bagged lunch for all those who seek care. In 2010 we expect to

serve
1,100
patients.
In addition, more
than 600

volunteers will be fed during the two-day event. The Mission of Mercy planning team is seeking meal sponsorships and food and drink donations to ensure that all are well fed.

Your support of this effort would be greatly appreciated. We are in need of bagged lunches for dental patients as well as meals, beverages and snacks for our volunteers. Patients and volunteers will begin arriving early in the morning both days and many will still be waiting treatment and working well into the afternoon and evening.

Monetary donations ...

If you prefer to make a monetary donation for food and beverages, please make your check payable to:

*Virginia Dental Health Foundation
Roanoke Mission of Mercy Project (M.O.M.)
Attention: Karl Vandergriff
Roanoke M.O.M. Finance Officer
500 Waverly Lane
Moneta, Virginia 24121*

Please indicate for Food/Beverage on your check.
